*****Late Tuition Fee** of \$25.00 will be added to your child's tuition account for each month the account is overdue, and **this fee is also due upon payment for that month in which the account is overdue.** First tuition payment is due on the **first day of school** with the remainder of installment payments due on or before the 15th of each month. If you elected the 11-month payment plan, the final payment is due on or before the 15th of June 2011. However, if your child is graduating this school year (2010-2011), the remaining tuition balance plus all other financial obligations are due by May 15, 2011.
